[How to ship fish](#) | [Koi Herpes Virus Testing](#) | [Organ Harvest](#) | [Services](#) | [Overview Simplified](#) | [Test Request Form](#) | [Warning and Disclaimer](#) | [Exactly WHEN to ship](#) | [Exactly WHERE to Ship](#) | [Who IS KoiLab?](#) | [Why Choose KoiLab?](#) | [Home Page](#)

Do **NOT** send fish until you have called **706 247 6274**

You absolutely **MUST** call 706 247 6274 *before* shipment occurs.

WARNING: CLEARLY CIRCLE THE TEST(S) YOU WANT BELOW. MOST FOLKS WOULD BE REWARDED TO SELECT "THE WORKS" BECAUSE IT'S RARE TO FAIL TO GET A DIAGNOSIS FROM THIS TESTING BARRAGE. IF YOU DO NOT SEND A CHECK OR MONEY ORDER MADE OUT TO "LAB FEES" YOUR SAMPLES WILL BE NEGLECTED.

THIS IS A REQUIRED FORM - **THIS FORM MUST BE PACKAGED WITH YOUR SAMPLES**

Testing Request Form - Clearly CIRCLE the "TEST" Sentence that applies to you. Make sure to include a check for the requested test(s).

| TEST | WHAT TO SEND | HOW TO SEND IT | WHERE TO SEND | RESULTS IN: |
|---|---|--|---|--------------------|
| I <u>ONLY</u> want to know if my fish has external or internal parasites ONLY . Test: WET MOUNT | Just a live fish is all that's needed. Send several fish. <u>Dead fish cannot be accepted.</u> | Sending a live fish: Catch sick fish, pack in pond (native) water with Bag Buddies, under pure Oxygen, in double plastic bags and double banded, put an ice pack or three under the bag in the box, and ship to arrive alive, overnight, via UPS, FedEx, Airborne Express or other common carrier. | Lab Fees Koilab 1030 Red Oak Ct Watkinsville, GA 30677 706-247-6274 | 24 Hours |
| I <u>ONLY</u> WANT TO KNOW IF MY FISH HAVE KHV Virus ONLY - Test: KHV TESTING via PCR | Send a swab, or preferably a live fish | Send live fish as above, or send whole fish packed in plastic bag without water, on lots of ice. Or, send frozen fish in plastic bag on ice. Or send culturette as described in other form. All specimens should be "overnight". | Lab Fees Koilab 1030 Red Oak Ct Watkinsville, GA 30677 706-247-6274 | Up to three days |
| I <u>ONLY</u> WANT BACTERIAL CULTURE AND SENSITIVITY ONLY . Test: BACT. C&S | Send a whole, live fish. | Send live fish as above, or send whole fish packed in plastic bag without water, on lots of ice. Or, send frozen fish in plastic bag on ice. Live fish are the most <i>diagnostic</i> | Lab Fees Koilab 1030 Red Oak Ct Watkinsville, GA 30677 | 24 Hours to 1 week |

| | | | | |
|---|-------------|--|--|--------|
| | | samples. | 706-247-6274 | |
| <p>I <u>ONLY</u> WANT WATER TESTING ONLY FOR ALL MAJOR ELEMENTS, INSECTICIDES AND HEAVY METALS, ONLY.</p> <p>Test: Water Testing</p> | Send water. | Send a 1-2 cup sample of water from the subject-pond or facility in a plastic fish-bag or glass jar with a plastic top. <i>Use no metal in contact with water.</i> Send overnight as well, because certain compounds may not last long in water. | <p>Lab Fees Koilab 1030 Red Oak Ct Watkinsville, GA 30677 706-247-6274</p> | 3 days |

WARNING: CLEARLY CIRCLE THE TEST(S) YOU WANT ABOVE. MOST FOLKS WOULD BE REWARDED TO SELECT "THE WORKS" BECAUSE IT'S RARE TO FAIL TO GET A DIAGNOSIS FROM THIS TESTING BARRAGE.

WARNING: IF YOU DO NOT SEND A CHECK OR MONEY ORDER MADE OUT TO "LAB FEES" YOUR SAMPLES WILL BE IGNORED.

| TEST | SAMPLE | HOW TO SEND | WHERE | RESULTS IN: |
|--|---|--|---|--|
| I <u>ONLY</u> WANT TO HAVE A NECROPSY ONLY. Test: Necropsy | Send live or freshly "dead" fish. Long-dead or rotting fish are non-diagnostic. | Send live fish as above, or send whole fish packed in plastic bag without water, on lots of ice. Or, send frozen fish in plastic bag on ice. | Lab Fees/Koilab 1030 Red Oak Ct Watkinsville, GA 30677706-247-6274 | 24 hours |
| I WANT TO HAVE "THE WORKS" Test: Wet Mounts Test: Necropsy Test: Histopathology Test: Bact. C&S Test: Water testing Test: KHV Testing | Send up to three live fish, and a 1-2 cup water sample. | Sending a live fish: Catch sick fish, pack in pond (native) water with Bag Buddies, under pure Oxygen, in double plastic bags and double banded, put an ice pack or three under the bag in the box, and ship to arrive alive, overnight, via UPS, FedEx, Airborne Express or other common carrier. WATER: Send a 1-2 cup sample of water from the subject-pond or facility in a plastic fish-bag or glass jar with a plastic top. <i>Use no metal in contact with water.</i> Send overnight as well, because certain compounds may not last long in water. | Lab Fees/Koilab 1030 Red Oak Ct Watkinsville, GA 30677 706-247-6274 | Some test results are immediately available. Some take up to a week, such as the Bacterial work. |
| "THE WORKS" <u>Minus</u> water testing | Send up to three live fish | Ship to arrive alive, overnight, via UPS, FedEx, Airborne Express or other | Lab Fees/Koilab 1030 Red Oak Ct Watkinsville, GA 30677 | Various tests take varying amounts of time. |

Do NOT send fish until you have called **706 247 6274**

You absolutely **MUST** call 706 247 6274 *before* shipment occurs.

THIS IS A REQUIRED FORM - THIS FORM MUST BE PACKAGED WITH YOUR SAMPLE AND INCLUDED IN YOUR PACKAGE SENT TO KOILAB

CASE HISTORY FORM

1. HOW LONG HAVE YOU BEEN KEEPING FISH?
2. HOW MANY FISH ARE AFFECTED?
3. HOW MANY FISH ARE IN THE SYSTEM WITH THE AFFECTED FISH?
DID YOU GET ANY NEW FISH?
4. WHEN?
5. DID YOU QUARANTINE THE NEW FISH FOR AT LEAST 21 DAYS?
IF NOT, WHY NOT?

RECENT RECORDED TEST RESULTS (Numeric results, not "Okay" or "Normal" because then we know you didn't test.)

- Ammonia
- Nitrite
- Nitrate
- PH
- Carbonates

IS THE WATER AMBER OR TANNIN-STAINED?

HOW OFTEN DO YOU DO WATER CHANGES?

HOW MUCH DO YOU CHANGE AT A TIME?
WHEN WAS THE LAST WATER CHANGE?

ARE THERE PLANTS IN THE POND?

IS THE GRAVEL IN THE POND?

WHAT KIND OF FILTRATION IS THERE?

IS THERE A UV ON THE SYSTEM?

HOW MANY GALLONS OF WATER ARE IN THE SYSTEM?

HOW MANY TOTAL INCHES OF FISH ARE IN THE SYSTEM?

HOW WOULD YOU DESCRIBE THE FISHES' SYMPTOMS?

HAVE YOU TRIED ANYTHING?

IF SO, DESCRIBE TREATMENT, YOUR TECHNIQUE, AND RESULTS IN DETAIL.
